

2006-2007 INFLUENZA & ADULT PNEUMONIA VACCINATIONS

San Antonio Metropolitan Health District (SAMHD)

WHAT IS COVERED?

If your insurance is listed as “**YES**” on the chart, then you will not be charged for the cost of the vaccine(s), since these providers will reimburse SAMHD for immunizations. If your insurance is listed as “**NO**” on the chart, then SAMHD is required to charge full price for the vaccine(s), however, you may seek reimbursement from your insurance carrier on your own.

Everyone must show an accepted and valid medical insurance card with the current insurance number to avoid having to pay for the vaccines so that SAMHD can get reimbursed.

If you do not have your card or if you have an insurance that is not accepted, you have to pay and submit a claim form on your own to your insurance for possible reimbursement.

INSURANCE	FLU SHOT	PNEUMONIA SHOT
Superior Health Plans (CHIP only)	YES	not applicable
CareLink	YES	NO, pay \$35
City Employees/Dependents currently covered with a COSA health plan <u>with a valid card in hand</u>	YES	NO, pay \$35
City Employee/Dependents/Retirees <u>not</u> covered by a COSA health plan	NO, pay \$25	NO, pay \$35
Community First	YES	NO, pay \$35
Blue Cross/Blue Shield; United Healthcare; UniCare; Aetna; and others	NO, pay \$35	NO, pay \$35
Humana	YES	NO, pay \$35
Medicaid	YES	YES
Medicare – Part B only	YES	YES
Medicare Humana Gold	YES	NO, pay \$35
Tri-Care (ONLY FOR THOSE AGE 65 OR OLDER)	YES	YES

SECURE HORIZONS AND BLUE CROSS/BLUE SHIELD do not participate in the SAMHD Flu Campaign because SAMHD is not an in-network provider and will not be reimbursed for giving these shots. Members of these plans need to go to their in-network providers or pay for the shots if they get them from SAMHD.

Please note that if a person **ONLY** has Medicare Part A, they must pay for the shots because SAMHD will not be reimbursed for these immunizations under Medicare Part A.
